The ‘Shappy’ History of Shap Chippy

This year fish and chips is celebrating its **160th birthday!** So, this got us to thinking about how long the Nations Favourite Dish has been in the village of Shap. Thanks to Shap Historical Society we know the earliest recorded Fish and Chip Shop in Shap dates back to the 1930s! Which saw the first Fish and Chip Shop running from Manchester House (this is now the village news agents). There have been various fish and chip shops which have opened and closed over the past 90 years in Shap!

Shap Chippy has been established since 2004, being first opened by James & Paula Westhorpe after taking over a pre-existing Fish & Chip Shop, which had been here in this building since the early 1990s, and renamed it ‘Shap Chippy’, the name we know and love today. There were several changes of ownership during this time and following a disastrous fire, the business was overhauled and reopened by Jo Hampson and Georgina Perkins in 2013. This brought Shap Chippy a new lease of life and became the heart of the village. In 2015, Shap Chippy won the UKs Best Newcomer in the National Fish and Chip Awards, starting the Chippy on its Famous Award-Winning Journey.

In July 2018, Shap Chippy was passed to the current owners Matt & Ashley Phillips. With their passion for food and skills in business hospitality they’ve taken Shap Chippy to another level. They have not only renovated the restaurant area, adding their modern decorative flair and adding additional seating, but they’ve also renovated all the kitchens behind the scenes too. Investing in a new frying range (that’s what we cook on), moving to double cooked chips and perfecting the perfect batter for a light and crispy fish. Also dedicated to staff training and development, giving opportunity and growth to all who work at Shap Chippy, as exemplified by their teams outstanding customer service and fine attention to detail.

Since taking over Shap Chippy has won UKs 2nd Best Fish and Chip Shop in the National Fish and Chip Awards 2020 and won the ‘Marketing Innovation Award 2020’. Also racking up other awards such as; ‘Best Fish & Chip Shop in Cumbria 2019’ from England Business Awards, Top 50 Takeaways in the UK 2019 from Fry Magazine and Food Awards Best Fish and Chip Shop UK 2020. And more coming soon....

At Shap Chippy we are so proud to represent the Nations Favourite Dish at its finest, for all our customers from far and wide, and that’s why we are so passionate about Fish & Chips, and we hope you enjoy your meal with us today...
